

§ 1956.112

and conditions of the bankruptcy reorganization plan, including any adjustment of the debt.

§ 1956.112 Debts ineligible for settlement.

Debts will not be settled:

(a) If referral to the Office of Inspector General (OIG) and/or to the OGC is contemplated or pending because of suspected criminal violation, or

(b) If civil action to protect the interests of the Government is contemplated or pending, or

(c) If an investigation for suspected fiscal irregularity is contemplated or pending, or

(d) When a claim has been referred to or a judgment has been obtained by the United States Attorney and the debtor requests settlement, the servicing official will explain to the debtor that the United States Attorney has exclusive jurisdiction over the claim or judgment, and therefore, FmHA or its successor agency under Public Law 103-354 has no authority to agree to a settlement offer. If the debtor wishes to make a settlement offer, it must be submitted with any related payment directly to the United States Attorney for consideration.

§§ 1956.113–1956.117 [Reserved]

§ 1956.118 Approval authority.

District Directors cannot approve debt settlement actions. Therefore, they will make no statements to a debtor concerning the action that may be taken upon a debtor's application. Subject to this subpart, the compromise, adjustment, cancellation, or chargeoff of debts will be approved or rejected:

(a) By the State Director when the outstanding balance of the indebtedness involved in the settlement is less than \$50,000, including principal, interest, and other charges.

(b) By the Administrator or his designee when the outstanding balance of the indebtedness involved in the settlement is \$50,000 or more, including principal, interest, and other charges.

§§ 1956.119–1956.123 [Reserved]

§ 1956.124 Compromise and adjustment.

Nonjudgment debts may be compromised or adjusted upon application of the debtor(s), or if the debtor is an individual and unable to act, upon application of the guardian, executor, or administrator of the debtor's estate.

(a) *General provisions.* Debts, regardless of the amount, may be compromised or adjusted subject to the following:

(1) The debt or any extension thereof on which compromise or adjustment is requested is due and payable under the terms of the note or other instrument, or because of acceleration by written notice, prior to the date of application for settlement.

(2) The period of time during which payments on adjustment offers are to be made cannot exceed five years without the approval of the Administrator.

(3) Efforts will be made to avoid applications for settlement in which debtors offer a specified amount payable upon notice of approval of the proposed settlement.

(b) *Debtor's ability to pay.* In evaluating the debtor's settlement application, it is essential that reliable information be obtained in sufficient detail to assure that the offer accurately reflects the debtor's ability to pay. The debtor's income, expenses, and non-security assets are critical factors in determining the type of settlement and the amount which the debtor can reasonably be expected to offer. Critical information should include the following:

(1) The debtor's total present income from all sources will be determined. In addition, careful consideration will be given to the probable sources, amount, and stability of income to be received over a reasonable period of years. For individuals, public welfare assistance and pensions, including old age pensions and pensions received by veterans for pensionable disabilities will not be considered as sources of funds with which to make compromise and adjustment offers.

(2) The debtor's operation and maintenance expenses, and, in the case of individuals, probable living expenses.
